TECHNOLOGY CENTER R3700

Sir:

In response to the Office Action dated October 11, 2002, please amend the claims of the above-identified application as follows:

Rewrite Claim 1 as follows:

an area to be catheterized, the multi-lumen catheter assembly into catheter tube having a distal portion and a proximal portion, and (b) an attachable hub assembly having a hub body with a distal portion and a proximal portion, the method comprising the steps of:

making an incision near the area to be catheterized;
